COUNTY CONVENTION.

EXTRACTS FROM THE GENERAL LAWS OF NEW HAMPSHIRE.

The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of the June session of the General Court or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The County Convention shall appoint two auditors biennially, one each from the two leading political parties, for the two years next following, whose duty it shall be to examine the accounts of the County Commissioners and County Treasurer, etc.

The County Commissioners shall furnish said Auditors all the aid and information required by them in the performance of their duties, and shall recommend to the County Convention the sum necessary to be raised for the county for each of the two years, ensuing, stating in detail the objects and purposes for which the money is to be appropriated and applied.

The County Convention for each county shall, during the session of the legislature, raise or grant a county tax for its county for two years; but the tax for each year shall be voted separately for that year, and shall be collected for the year in which it was voted.

The sheriff, the jailer, the physician, the clerk of the court, the solicitor, the treasurer, the county commissioners, and the superintendent of the county farm, of each county, shall make up their reports, separately, to May first, annually, and the same shall be printed together in pamphlet form, in said month of May, and said reports shall be distributed as now provided by law.

The reports of the several officers named shall contain a summarized account of all their transactions which concern the county, for the current year ending as aforesaid, and the report of the superintendent of the county farm shall contain, in addition, a list of the paupers actually supported at the farm, and the number of weeks each was so supported; and also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculation was made.

It shall be the duty of the County Commissioners of each county to publish attested copies of the proceedings of the County Convention, with the printed reports of the county officers for the year in which such proceedings shall have occurred.

The County Farm and Almshouse are still under the care of Mr. and Mrs. Charles C. Tucker; they have shown their aptness for a position so responsible; the duties of matron are many and varied, but they have been well filled by the kindness and sympathy of Mrs. Tucker, everything being done for the comfort and welfare of the inmates.

The new sewerage system at the farm, commenced in the fall of 1888, has been completed and meets our expectations.

The expense of running the farm will not vary much from that of 1888.

The crops were almost a total failure with the exception of the hay crop which was very good.

There have been two terms of school taught at the farm during the year, with an average attendance of ten scholars.

A new steam fire pump has been purchased during the year, new piping laid from the pond, and a stand pipe erected in the house to which new hose is attached in the corridors on every floor, the old pump and hose being inefficient in case of fire.

The report of the treasurer shows the expense of the year ending April 30, 1888-9, to be more than the preceding year, largely due to the increase of criminals and the cost of convicting and support of them, our jails having been filled to their utmost capacity.

The increase of the amount expended for the paupers off the farm is mainly due to the support of poor and indigent soldiers.

We would extend an invitation to the taxpayers to visit the farm during the coming season, as we think their cooperation would be beneficial to the unfortunate poor of the county.

GEO. W. SANBORN,
JOHN F. MAGRAW,
WALTER J. DUDLEY,

Commissioners of Rockingham County.

AUDITORS' REPORT.

EXETER, N. H., May 11, 1889.

We, the Auditors of the County of Rockingham, have carefully examined the accounts of the County Commissioners, for said County, and find them correctly cast and with proper vouchers for all expenditures. From the best evidence by us obtained, we are satisfied that the articles procured by the Commissioners for the use of the County have been purchased at a fair market value and have not been diverted from their legitimate use.

TIMOTHY F. CRONIN,
CHARLES PHILBRICK.

PHYSICIANS' REPORT.

TO THE COMMISSIONERS OF ROCKINGHAM COUNTY.

Gentlemen: According to the customs of former years we hereby submit a brief annual report of the medical aspect and sanitary condition of the County Almshouse, House of Correction and Insane Asylum.

There has been an unusual amount of sickness, chiefly among the aged and infirm, as indeed has been the case with that class of people everywhere during the past year.

The sanitary condition is now for the most part very good. The removal of the old out-buildings greatly improves the air in the female part of the almshouse.

The drainage pat in last year was a complete success.

There are 74 inmates at the Asylum. One or two have been discharged, recovered, but the condition of the greater part remains unchanged.

There have been two births.

The following is a list of the deaths to May 1:

John Moore. Died May 14, 1888, of old age, aged 91; admitted December 5, 1882.

David L. Hunt. Died May 19, 1888, of chronic diarrhea, aged 47; admitted February 26, 1884.

Dennis Holland. Died June 20, 1888, of dropsy, aged 75; admitted December 5, 1885, from Portsmouth.

Michael Hennessey. Died July 17, 1888, of dropsy, aged 68; admitted September 28, 1869, from Portsmouth.

Nettie Griffin. Died August 15, 1888, of rheumatism, aged 18; admitted June 29, 1887, from Chester.

Mary E. Stevens. Died September 9, 1888, of cancer, aged 79; admitted August 13, 1888, from Hampton.

David Shaw. Died September 10, 1888, of diarrhea, aged 80; admitted September 6, 1888, from Concord asylum.

Thomas Hogg. Died October 3, 1888, of chronic diarrhea, aged 52; admitted September 18, 1879, from Londonderry.

Mary Jane King. Died October 10, 1888, of pernicious anaemia, aged 71; admitted April 10, 1882, from Portsmouth.

Lavinia Wadleigh. Died Oct. 19, 1888, of dropsy, aged 69; admitted October 16, 1888, from Kensington.

Albert P. Smith. Died October 21, 1888, of consumption, aged 52; admitted October 18, 1888, from South Newmarket.

John K. A. Hanson. Died November 7, 1888, (suicide), aged 60; admitted August 4, 1886, from Portsmouth.

Owen Cunningham. Died November 14, 1888, of dropsy, aged 67; admitted September 13, 1886, from Exeter.

John Fitzpatrick. Died November 15, 1888, of consumption, aged 35; admitted October 27, 1888, from Portsmouth.

George Hubbard. Died November 19, 1888, of softening of the brain, aged 36; admitted February 16, 1887, from Concord asylum.

Thomas F. Hoyt. Died November 25, 1888, of paralysis, aged 35; admitted October 29, 1888, from Portsmouth.

Susan Gile. Died December 9, 1888, of old age and debility, aged 77; admitted October 12, 1880, from Plaistow.

Sarah Landergreen. Died December 17, 1888, of old age, aged 83; admitted December 9, 1887, from Northwood.

Elizabeth Fowler. Died December 18, 1888, of old age, aged 80 ; admitted November 22, 1886, from Seabrook.

Thomas Carter. Died December 24, 1888, of general debility, aged 50 ; admitted November 20, 1888, from Newton.

George Roux. Died January 6, 1889, of consumption, aged 30 ; admitted December 24, 1888, from Fremont.

Mary Duran. Died February 23, 1889, of old age, aged 80 ; admitted June 2, 1888, from Candia.

Daniel Donovan. Died February 23, 1889, of consumption, aged 44 ; admitted January 29, 1889, from Portsmouth.

Elizabeth Owen. Died March 6, 1889, of old age, aged 89 ; admitted May 1, 1874, from Portsmouth.

David Trefethen. Died March 11, 1889, of old age, aged 84 ; admitted October 23, 1884, from Hampstead.

Helen Larrabee. Died March 21, 1889, of hemorrhage, aged 49 ; admitted August 3, 1887.

Leonard S. Schillings. Died March 30, 1889, of old age, aged 83 ; admitted October 17, 1883, from Epping.

Of these, six died within one month of the time they were admitted, one within two months, and three within one week. The two from hemorrhage died so suddenly, little or nothing could be done for them. A few moments before they had seemed in usual health.

Cheerfully and faithfully have the worthy superintendent and his estimable wife (Mr. and Mrs. Tucker) performed their

duties and added much of charitable ministration in caring for the sick.

For their cooperation, we, as medical attendants are sincerely grateful.

Respectfully submitted,

F. W. SPAULDING, M. D.

A. W. MITCHELL, M. D.

CHAPLAIN'S REPORT.

TO THE HONORABLE BOARD OF COMMISSIONERS FOR ROCKINGHAM COUNTY.

Gentlemen : The Chaplain's duties during the past year have not varied in any essential particular from those of former years.

Preaching the second and fourth sabbaths of each month ; holding funeral services according to requirement for all deceased inmates who are buried in the county farm cemetery ; visiting the sick and infirm and also the unfortunate in the hospitals and asylum ; beside holding one's self in readiness for any other service pertaining to the office we hold : thus in these various ways we seek to be helpful to the county's wards, and are thereby, we trust, meeting our obligations to the administration employing us, and also securing the Divine approval.

The chapel services are usually well attended by the inmates. This is encouraging, chiefly from the fact that there is nothing compulsory in the matter of attendance ; all that come do so from choice ; visitors and friends likewise favor us occasionally with their presence and help at the public services.

The most gratifying feature, however, and that which adds very greatly to the interest of such occasions, is the example of the superintendent and his family, who are always present unless absolutely hindered. The effect of this we are well

persuaded is salutary upon the inmates and decidedly helpful to the chaplain.

The music, both vocal and instrumental, has been under the direction of Miss Gracie Tucker (superintendent's daughter.) This is a part of the service in which the inmates heartily engage, and which they seem greatly to enjoy.

We are unable to tell just how much good is accomplished through these varied instrumentalities, but doubtless, with God's blessing, such effort is not altogether in vain.

My thanks are due to all the officers of the institution for the respectful and generous treatment accorded me, but chiefly to the superintendent and matron, (Mr. and Mrs. Tucker), whose uniform courtesy and kindness has greatly encouraged and helped me in my work.

Respectfully submitted,

May 1, 1889.

W. H. JONES, Chaplain.

SHERIFF'S REPORT.

TO THE BOARD OF COUNTY COMMISSIONERS.

Gentlemen: I herewith respectfully submit the following report as Sheriff of the County of Rockingham:

For the year ending April 30, 1889, there has been committed to this jail one hundred and four persons, to wit:

Murder	1
Rape	2
Breaking and entering	4
Breaking, entering and assault	2
Pickpocket	1
Larceny	7
Larceny from person	1
Bastardy	2
Disorderly house	1
Assault on officers	5
Assault, simple	4
Tramps	3
Vagrants	26
Drunks	44
Capias default paying execution	1
Total,	<hr/> 104

Highest number at one time	50
Lowest number at one time	8
Average	21
Males	99
Females	5
Foreign born	49
Native born	55
Committed to State prison	6
Committed to asylum	1
Committed to Industrial School	1
In jail at present time	11

There has been a great increase in the number of prisoners this year over the last year, owing to a few causes, one being the failure of a contractor on the water works at Dover to pay his laborers, some of whom were owed for two week's labor, and some six weeks. These men drifted mostly into Rockingham County, and have been sentenced as vagrants in the jails and county house.

The mild weather of the last winter caused less employment on lumber and ice, thus throwing out a large number who have been without visible means of support.

Mrs. Cooledge Perry, Mrs. Caroline Black, Portsmouth Times' office, Col. William H. Sise, John Sise, Mrs. Tuckerman, Mark Wentworth, and others have liberally contributed reading matter to the prisoners.

Religious services have been conducted at the jail on the Sabbath, and have been listened to with attention and interest. Rev. W. A. McGinley, Rev. O. S. Baketel, John S. Rand, Dr. E. B. Goodall, James H. Dow, Everett Marston, C. F. Purington, Horace Frye, William Israel, John Gardner, and ladies have kindly assisted in these meetings.

Easter cards, books and flowers were presented each inmate by John S. Rand in behalf of an unknown friend.

Dr. Berry reports of the Portsmouth jail as follows :

PORTSMOUTH, April 30, 1889.

The health of the prisoners confined in the Portsmouth jail during the past year, has been generally good. There has occurred but one death and that from heart disease. With this exception, there have been no cases of serious illness and none which did not yield promptly to treatment. Several cases of skin disease have been noted in prisoners newly committed, yet these were of brief duration. Although the accommodations of the jail were at times inadequate for its inmates, yet I have invariably found its internal and domestic arrangements carefully conducted, the cells in good order and the general sanitary condition as perfect as the construction of the building would admit. The officers in charge, as well as the help employed, appear to have performed their duties intelligently and in a kindly manner.

JOHN J. BERRY, M. D.

EXETER, April 30, 1889.

The heavy increase in the sum required for the State pay rolls is due wholly to the long and expensive trial in State vs. Palmer. The cost of that trial to the County aggregated a little over \$4000, and deducting that amount from the whole amount of the pay roll, it will be seen that the expenditures in criminal matters are smaller this year than for any of many previous years.
